

MAGESTRY™

Waiver of Liability / Rules Agreement

Magestry is a live-action role-playing game that tries to bring to life the atmosphere and adventure of fantasy literature. As with any physical activity, there are risks involved. Signing this waiver signifies that you not only understand these risks, but that you accept them and will hold the cast, crew, players, and staff of Magestry harmless in the case of injury or property loss or damage.

By signing this waiver, I, _____:

(Print Your Name)

1. Understand that the cast, crew, and staff of Magestry try very hard to maintain a safe and appropriate atmosphere, and I promise to uphold this atmosphere to the best of my ability.
2. Understand that there are risks involved in boffer combat and running in the woods, especially at night, and I promise to engage in boffer combat safely and appropriately, as described in Chapter 8 of the Magestry Player's Rulebook. I also promise to acknowledge and follow the rules for safe conduct as described throughout the rulebook. I understand that failure to comply with the rules for safe conduct will result in immediate suspension from Magestry.
 - 2a. Promise to use only boffer weapons that are approved by the Magestry staff. I promise to stop boffer combat the moment I notice that an involved boffer weapon has become unsafe, and I promise to inform another player if he or she is using an unsafe weapon. I also promise not to bring real weapons to an event or engage in combat with anything other than boffer weapons or spell packets.
 - 2b. Promise to maintain a safe role-playing environment and to inform the Magestry staff of anything that might endanger the safety of the game players. I promise to fully cooperate with emergency personnel and the Magestry staff in the case of an emergency.
- 2c. Promise to respect the conditions of disabled players and the follow rules for playing safely with them. I will be sure to accurately evaluate, and deem safe, my own physical fitness before engaging in Magestry's activities.
3. Understand that illegal drugs or alcohol is not allowed at any Magestry event, and that smoking is only permitted in designated locations. I promise not to bring illegal substances or alcohol to a Magestry event; I promise not to use these substances while at the event, and I promise not to come to a Magestry event while under the influence of any of these substances. I understand that doing any of these things will result in my immediate and permanent expulsion from Magestry.
4. Understand that out-of-game theft is illegal and punishable by the law. I promise not to take anything from an out-of-game area unless it belongs to me or I have permission from the object's owner. If I take an in-game item from an in-game area for the purpose of role-playing, I promise to return it to its rightful owner at the end of the Magestry event. I understand that unlawful theft will result in immediate and permanent expulsion from Magestry.
5. Understand that half of my registration fee is a nonrefundable deposit and that the other half becomes nonrefundable on the Saturday (six days) before the event. I understand that any other monetary arrangement would happen out of the kindness of the hearts of the staff of Magestry.
6. Promise to abstain from any and all sexual activity while at a Magestry event. I promise to keep my language clean and I promise not to say things in the presence of out-of-game people that might be considered inappropriate in out-of-game situations.
7. Promise to maintain the appropriate fantasy atmosphere (costume, props, lighting, music, etc.) to the best of my ability.
8. Understand that photos may be taken of the players in action and, if my image is captured, Magestry is allowed to use it for promotional purposes. I understand that Magestry will respond promptly and respectfully if I request that a particular image of myself become unavailable to public viewing.
9. Agree that any fictional character, location, story, or other thing that I create and submit for use at Magestry becomes part of the Dabbleverse Campaign Setting and may be used by PDabble Games in its stories or products. I understand that the staff of PDabble Games will be receptive to my direction for how such intellectual property is used or not used.
10. Have read the rulebook and understand how the game should be played. I understand that I am on my honor to play as the rules were intended. I promise to learn and follow the rules, especially all those pertaining to safety and emergencies, and I promise to aid other players in understanding and following the rules. I promise to play nicely with other players and to avoid arguments and inconsiderate behavior.
